

IMPORTANT! FOR INFORMATION

Dear customers,

Germany and the world are fighting against the spread of the corona-virus together. These are hard times for everyone of us but we have to stand together. Our priority is to reduce new infections to keep our health system able to act and react. Our focus lies on protecting old people and those who have any pre-existing diseases.

So we do what's necessary and
close our ServiceCenter for now until: 19.04.2020

We are here for you! You can contact us on:
